VENUES

The century-old Church Road Winery is one of New Zealand's premier function venues. A very special location and ambience, award-winning wines and fabulous cuisine make it the perfect venue for your upcoming event.

The winery is situated within the Taradale township that lies in beautiful country surroundings near Napier in Hawkes Bay. First established in 1897, major restoration has seen the rebuilding of this historic winery and the addition of New Zealand's only major winemaking museum.

The **Tom McDonald Cellar** opens out over a 1.5ha park offering a semi-rural view. The function area overlooking wine barriques, is the ideal venue for conference dinners, cocktail functions, product launches and concerts. We hold space for up to 14 round tables, plus a rectangular head table. The tables are laid to your requirements, and the presence of oak wine barrels impart a warm, stylishly rustic ambience.

Our sleek outdoor **container bar** is perfect for product launches, gathering small groups for wine tastings and canapes. Boasting its own private bar, with umbrellas and a louvred roof this is the perfect space for those hot Hawkes Bay months.

Our underground **wine museum** provides a wonderfully atmospheric setting for small groups. This adds a truly unique dimension to an event and is ideal for canapes, private intimate wine tastings or a small meeting room.

Venue	Theatre	Boardroom	Classroom	U-shape	Cocktail	Dining
