# EVENTS AT PASK

# Welcome to Pask

---

It was in the Hawkes Bay, New Zealand's oldest wine region, that Pask's first vines were planted over four decades ago on the ancient Ngaruroro River beds. Topdressing pilot, Chris Pask saw the potential of the area from the air and from those beginnings we started with the maiden vintage becoming a prized 1985 Cabernet Sauvignon. This also marked the start of Gimblett Gravels becoming the world-renowned Wine Growing District it is today.

Now under the care of the Benton Family, and with the addition of Marlborough winery Jackson Estate to the group, our passion for making authentic wines to be shared and enjoyed has only got stronger.

Thus the reason for the developing this new Cellar Door experience. Just as we are dedicated to producing enduring, high value wines we wanted a very special venue to share them in.

The award winning winemaking team employs sustainable methods to ensure quality and consistency of our wines. We have hands-on care throughout the entire process from whether it be from grape picking on our 60ha of vineyard on Gimblett Gravels to processing on site.

We are proud that our wineries are staffed by a small team of devoted individuals who are passionate about creating something special in every bottle. We hope you enjoy experience too.
